Montana Catholics For Life

For Babies For Mothers For Families

“Created in the image of God with a dignity not of our own making, each person is a unique and unrepeatable masterpiece of God’s creation.”

-Montana’s Catholic Bishops regarding the abortion amendment, Constitutional Initiative 128 (CI-128).

Catholics recognize that a precious life begins at conception and understand that abortion is the taking of an innocent human life.

This pro-life position expresses an essential truth and brings a critical perspective to our public discourse. Current and future laws that could stop, or even regulate, abortion would be deemed unconstitutional under CI-128. This effectively suppresses the voice of those who have a duty to stand up for the voiceless unborn and puts babies in dire jeopardy in Montana.

Stand for Life in Montana

Join our Bishops as we stand for every child’s right to life, the dignity of each mother, and the sanctity of the family.

A great time was had by all and hardly any food was left at the end. A special Thank You to Dave Phillips and the Knights for making it happen for the parish.

Here are the results from the project survey from 3 weeks ago. The St. Theodore bathrooms had the greatest support from both churches. The new kneelers came in second. We will look into moving forward with these projects and checking back in the future to get updated project preferences.
