# Montana Catholics For Life

For Babies For Mothers For Families

Underage mothers need their parents' support and understanding. Adults know that life can become complicated and that a precious new life, even when unplanned, is a gift. There are many paths to a hope-filled future for mothers and their children.

Expectant mothers should be treated with dignity and respect.

They deserve the truth that abortion is harmful to women and takes the life of a child. They should be empowered and informed about the life-affirming alternatives to abortion that are available.

CI-128 proposes abortion as a healthcare "solution" and would eliminate parental notification requirements when minors obtain an abortion. Women deserve better. Be an advocate for mothers and decline to sign CI-128

## Bicycling adventures of faith and service!

Join us in cycling throughout the country, building homes, spreading the word, and reaching over \$5 million raised to help end poverty housing!

The Fuller Bike Group will be staying with us again on Tuesday evening, June 4<sup>th</sup> in the Saint Mary's Center. They will be taking advantage of our facilities after riding 85 miles from Missoula earlier in the day. They will stay the night and then heading off to Whitehall. So if you see a bunch of tired "Bikers" hanging around, don't worry & say hi.

Here are revived results from the project survey from 3 weeks ago. The St. Theodore bathrooms still have the greatest support from both churches. The new kneelers came in second. Fr. Joe is getting bids now on new kneelers. Meetings on the bathrooms soon.
